

Day 2- CSS

Assignment:

The screenshot displays a professional resume website. At the top left is a logo consisting of a blue 'C' inside a white circle. To its right is a navigation bar with links: Home (underlined in red), About, Service, Portfolio, Blog, and Contact. On the far right of the header is a red rounded rectangle button labeled "RESUME". The main content area features a large, semi-transparent purple sidebar on both sides. In the center, there's a large, rounded rectangular image of a man with short, light-colored hair and glasses, wearing a red and black striped shirt. Above the image, the text "FREELANCE WEB DEVELOPER" is written in small, light blue capital letters. Below the image, the text "Hello, I'm Mohamed" is displayed in large, bold, black and red capital letters. Underneath this, a smaller paragraph reads: "I'm working on a professional, visually sophisticated and technologically proficient, responsive and multi-functional React Components." At the bottom left of the central area is a red rounded rectangle button labeled "DOWNLOAD CV". The footer of the page features a grid pattern of small purple dots.
