

# Day 16-Bootstrap

## Assignment:

Create a Simple Dashboard:

admin dashboard using Bootstrap.

A screenshot of a web browser displaying a simple admin dashboard at the URL 127.0.0.1:5501/tasks.html#. The dashboard has a dark blue sidebar on the left with 'CODE WAVE' logo and navigation links for 'Dashboard' and 'Tasks'. The main content area is titled 'Task' and contains a table with the following data:

#	Release	Test Suit Name	Scenario Type	Manual TC Name	VTAFC TC Name	Priority	Status
Cell 1	Cell 1	Cell 1	Cell 2	Cell 2	Cell 2	Cell 2	Completed
Cell 3	Cell 4	Cell 4	Cell 4	Cell 4	Cell 4	Cell 4	In Progress

A screenshot of a web browser displaying an 'ALERTS CENTER' section. It shows a list of alerts with the following details:

- December 12, 2019: A new monthly report is ready to download! (Status: Completed)
- December 7, 2019: \$290.29 has been deposited into your account! (Status: In Progress)
- December 2, 2019: Spending Alert: We've noticed unusually high spending for your account. (Status: In Progress)

At the bottom, there are 'Show All Alerts' buttons.

A screenshot of a web browser displaying a 'STATUS' section. It shows a list of items with the following details:

- December 12, 2019: A new monthly report is ready to download! (Status: Completed)
- December 7, 2019: \$290.29 has been deposited into your account! (Status: In Progress)
- December 2, 2019: Spending Alert: We've noticed unusually high spending for your account. (Status: In Progress)

At the bottom, there are 'Show All Alerts' buttons.
